

D-Active

WP3 : Elaboration of a catalogue of criteria and key factors for ICF

D-Active meeting – 26 Mai 2011 – Institut le Val Mandé, Val-de-Marne
(France)

What is expected (application) ?

- ⇒ Practical guide for implementing the next project's phases.
- ⇒ Create reference criteria useful to plan effective education initiatives aiming at promoting inclusion opportunities for the target group.

Catalogue created from :

- Recommendations of the European Council
- Data from the Research Report (WP2)
- International Classification of Functioning, Disability and health (ICF, 2001)

Two kind of guidelines will be incorporate :

- Guidelines for implementing multi-system actions aimed to realize the objective of improving the quality of life of DP and to develop key competences of DP to promote their active citizenship
- Guidelines for a balanced development of the different phases in which the competences of disabled people and of educationalists are developed

The catalogue will provide...

... a checklist for conducting the 2 kinds of pilots according to criteria of :

- scientificity
- comparability
- reproductibility

The catalogue will include :

- An introduction
- 5 technicals sections :
 - => Main criteria for using ICF as a reference point for planning actions in the field of education
 - => Criteria for providing a guide to realize the handbook to be used in the training course for educationalists
 - => Criteria for providing a guide to realize the handbook to be used in the training course for DP
 - => Main criteria for selecting samples and for the two pilots phases
 - => Criteria for realizing experiments able to guarantee comparability of results.
- A conclusion

An introduction

- Abstract of the project
- WP2 datas
- Notes on ICF

The technical sections...

- ICF FACTOR (first section)
- KEY COMPETENCIES / Educationalists (2d section)

26/05/2011 : presentation of the filled table and common discussion on it

30/05/2011 to 17/06 : introduction/conclusion + corrections of the technical sections

20/06/2011 : Final version

End of June / July : translation (50 pages)

15/07/2011 : Publication of the website

Questions to be discussed

Client or user ?

3 first sections...

Selecting samples for testing : age...

Criteria to guarantee comparability of results.

About the conclusion...

Comments about the work development and some indications useful for the forthcoming phases.

Connection with the local impact of the D-Active project

=> Active citizenship as active participation as a citizen in public consultation concerning people's everyday life

Mai, Thursday 12th

Hôtel du Département, Créteil, Val-de-Marne

Catherine (User at ETAI) says

« Citizenship is when you think of the others...,
citizenship is not to be selfish... »

«Comment créer le dialogue avec les personnes handicapées pour favoriser la construction d'un avis collectif ?
Quels sont notamment les facteurs-clefs « extérieurs » aux personnes sur lesquels agir ? »

How to create dialogue with DP to promote the building of a collective opinion ?

What are especially the « external » key factors on which acting ?
