

D-ACTIVE PROJECT

Overview

DACTIVE – Disability and Active Citizenship

project n°:510773-LLP-1-2010-1-IT-GRUNDTVIG-GMP

D-ACTIVE PROJECT

On 22 May 2001, the World Health Organization elaborated an innovative and multidisciplinary way of classify the disability: the ICF International of Functioning Disability and Health. Thanks to this new classification the disability is described as human experience and the concept of Handicap became is getting more and more obsolete. The ICF wants to describe the people state of health according to their social, familiar, working commitment in order to understand which difficulties in the socio-cultural background may be the cause of disability.
