

D-ACTIVE

Disability and Active Citizenship

(Project N° 510773-LLP-1-2010-1-IT-GRUNDTVIG-GMP)

NEWSLETTER 1/2012

Welcome to the *D-ACTIVE Newsletter Issue 3*. The periodical newsletter is part of the informative material published to disseminate and promote the aims, activities and outputs of the *D-ACTIVE* project.

The Third D-ACTIVE MEETING - Valencia (Spain)

On 16th and 17th January 2012 the third D-ACTIVE meeting took place in Valencia (Spain) with the participation of all project partners.

At the transnational meeting relevant issues in regard to the D-ACTIVE management strategy were discussed and important decisions for the project progress were made.

Each partner presented its work and all the materials developed in regard to the corresponding task:

- Validation of the **Catalogue of criteria and key factor** for ICF for carrying out experimentation according to the ICF criteria and the guidelines of the European Council;
- Presentation of the **DACTIVE-EDU Handbook and pilot courses in order to train educationalists** to implement actions aimed at developing active citizenship in people with intellectual disability;
- Presentation of the **D-ACTIVE-CITY Handbook and pilot courses for disableds** aimed at

developing active citizenship in people with intellectual disability;

- Presentation of the first year dissemination' activities for **D-ACTIVE project**.

Thanks to the host partner IVADIS (ES), there was the opportunity to visit the Occupational Centre Marxalenes a center for people with disabilities run directly by IVADIS

Running of EDU pilot training courses

The partnership implemented **one Pilot Training Course** in each of the 5 countries involved (**Austria, France, Spain, Romania and Italy**), during February - April 2012, addressed to the **educationalists**. Pilots were based on multidimensional and integrated tools and applicative models in education field connected to the theoretical framework set up by the

European Council and on the **DACTIVE-EDU Handbook** developed by the partnership in order to train educationalists to implement actions aimed at developing active citizenship in people with intellectual disability

Running of CITY pilot training courses

The partnership is starting the implementation of the **Pilot Training Courses** addressed to the **disableds**, one in each of the 5 countries involved (**Austria, France, Spain, Romania and Italy**), during May - June 2012. Pilots are based on applicative models in education field connected to the theoretical framework set up by the partnership in the **D-ACTIVE-CITY Handbook** aimed at fostering the participation in active citizenship of persons with intellectual disabilities.
