NEWSLETTER 2/2011

Welcome to the *D-ACTIVE Newsletter Issue 2*. The periodical newsletter is part of the informative material published to disseminate and promote the aims, activities and outputs of the *D-ACTIVE* project.

The Second D-ACTIVE MEETING - Paris (France)

On 26th and 27th May 2011 the second D-ACTIVE meeting took place in Paris (France) with the participation of all project partners.

At the transnational meeting relevant issues in regard to the D-ACTIVE management strategy were discussed and important decisions for the project progress were made.

Each partner presented its work and all the materials developed in regard to the corresponding task:

- **Research Report** “study of relational aspects as factors that can affect the quality of life of people with disabilities”, carried out according to the ICF reference parameters in 5 countries (Austria, France, Spain, Romania and Italy) for a clear and steady evaluation of the initial situation of the target;
- **Catalogue of criteria and key factor** for ICF for carrying out experimentation according to the ICF criteria and the guidelines of the European Council;

- **DACTIVE-EDU Handbook** - *first phase of experimentation*: presentation of the main aspects to create a handbook and experiment pilot courses in order to train educationalists to implement actions aimed at developing active citizenship in people with intellectual disability;
- Presentation of the project website: www.dactive.eu;
- Presentation of the first **D-ACTIVE newsletter** (1/2011).

The partnership also decided the running of **2 Pilot Training Course** in **2012** in 5 countries (**Austria, France, Spain, Romania and Italy**), addressed to the **educationalists**, based on multidimensional and integrated tools and applicative models in education field connected to the theoretical framework set up by the

European Council, aimed at fostering the participation in active citizenship of persons with intellectual disabilities.

Thanks to the host partner Conseil General du Val de Marne (FR), there was the opportunity to visit ETAI a center for people with disabilities run directly by The Conseil General and

the Museum MacVal, that organize visits for disabled people.
