Disability and Active Citizenship

(Project N° 510773-LLP-1-2010-1-IT-GRUNDTVIG-GMP)

NEWSLETTER 1/2011

Welcome to the *D-ACTIVE Newsletter Issue 1*. The periodical newsletter is part of the informative material published to disseminate and promote the aims, activities and outputs of the *D-ACTIVE* project.

D-ACTIVE aims and objectives

The D-Active project aims at providing a support to a center for disabled people. The project ideas stems from a confrontation of Public and Private Institution of 7 EU countries serving about 3000 people and 300 social operators- a network of professional partners working in the field of Disability. The main problems concerning disabled people is the difficulty in realizing effective and concrete actions aimed at fostering Active Citizenship and a real social inclusion.

Starting from a tool used in clinical and social field – The International Classification of Functioning, Disability and Health , the so-called ICF the D-Active project aims at

creating and experimenting multidimensional and integrated tools and applicative models in the educational field connected to the theoretical framework set up by the European Council, allowing the fulfillment of its objectives and the realization of a true inclusion.

The main activities and results will be:

- drafting of a **Research** according the ICF reference parameters in 5 countries
- opening of a project **Website**;
- elaboration **of Catalogue of criteria and key factor for ICF** to support next project activities
- drafting of two **Handbooks** and running of **2 Pilot Training Course (D-ACTIVE –EDU and D-ACTIVE CITY)** in 5 countries , the first addressed to educationalists the second to disabled people.
- organization of **workshop at national level** and of a **final conference** .

D-ACTIVE target groups

The **target groups** are:

- trainers
- social workers
- educationalists
- professionals working in services for disabled people
- Disabled people and their families
